# Erratum to: Phase space of partially coherent light with discontinuous surfaces

Minyi Zhong<sup>1\*</sup> and Herbert Gross<sup>1,2</sup>

## Erratum

After publication of this work [1], it was noted that there was an error within equation 3. The correct version of equation 3 is found below:

$$\Gamma'(x_1, x_2) = \Gamma(x_1, x_2) \cdot t(x_1) \cdot t^*(x_2) \text{ or} \\ = \Gamma(x_1, x_2) \cdot A(x_1) \cdot A^*(x_2)$$

We would like to apologise for the error and for any inconvenience this may have caused.

## Author details
